#### Kentucky CES Volunteer Expectations

## **Kentucky CES Expectations for Volunteers**

Trust is placed in the Kentucky Cooperative Extension Service to provide quality leadership and care for individuals participating in CES programs. The opportunity to work with youth is a privileged position of trust that should be held only by those who are willing to demonstrate behaviors that fulfill this trust. These expectations for volunteers guide their involvement in Kentucky Extension activities.

The purpose of these expectations for volunteers is to ensure the safety and well-being of all participants (i.e., youth, their parents and families, paid and volunteer staff). Kentucky CES volunteers are expected to function within the guidelines of Kentucky CES and Kentucky 4-H.

The following statements relate to the role of a volunteer with Kentucky CES and represent a contractual agreement between a volunteer and Kentucky CES.

- I will represent Kentucky CES to youth and adults by conducting myself with courteous manners and language, exhibiting good sportsmanship, serving as a positive role model, and demonstrating appropriate conflict resolution skills.
- I will abide by all applicable laws and CES rules, policies, and guidelines. This includes, but is not limited to, child abuse, fiscal management procedures and substance abuse.
- I will accept supervision and support from Extension staff or management volunteers.
- I will participate in orientation and on-going volunteer education and development, including client protection standards.
- I will not consume or allow others to use alcohol or illegal drugs at any CES function.
- I will, when transporting others, operate vehicles and equipment in a safe and reliable manner
  and only with a valid operator's license. I will comply with all vehicular regulations and laws. All
  passengers will be secured by properly operating seat belts. I have the minimum vehicle
  insurance coverage required by the Commonwealth of KY.
- I will accept the responsibility to promote and support the vision, mission, and values of Kentucky CES and its programs.
- I will conduct myself in a manner that is in the best interest of youth, adults and CES and will
  not use the volunteer position for purposes of personal gain.
- I will treat animals in a humane manner and teach program participants to provide appropriate animal care and management.
- I will use technology (including social media) in an appropriate manner that reflects the best practices in youth development.
- I will not practice, condone, tolerate or allow bullying, hazing, harassment or malicious pranks.
- I will ensure that educational programs of Kentucky CES shall serve all people regardless of race, color, age, gender, religion, disability or national origin.

I have read, und	erstand, and	agree to abide	by these	expectations	for volunteers. I	understand that
suspension or te	rmination of r	ny position will	result if I	do not meet t	hese expectation	ns.

### Sex Offender Registry Results (attach here)

A search of both the national and the Kentucky sex offender registries can be conducted by accessing the following website: <a href="http://kspsor.state.ky.us/">http://kspsor.state.ky.us/</a>

Enter the last name and the first name (running an alias and/or maiden name if one is provided) to run a check on individual volunteer applicants. When the results come up, print the results and staple into the volunteer application packet.

A national search of registered sex offenders can be conducted by entering the zip code of the searchable area at the same website. It is also a good safeguard to enter the zip code of the meeting place for clubs, events, programs and activities, to see the number of registered sex offenders in that zip code. (The number of offenders that are registered in most zip codes is truly sobering.) This print out should be placed in the secure volunteer file at least once each year.

### Volunteer Position Description (attach here)

All volunteers are required to sign a volunteer position description <u>for each role</u> they serve. Volunteers who continue their service to Extension *in the same role* do not need to sign a new volunteer position description each year.

A collection of volunteer position descriptions can be found in the GEMS Toolbox at: <a href="http://www.ca.uky.edu/agcollege/4h/oldsite/VolPosDescription/index.htm">http://www.ca.uky.edu/agcollege/4h/oldsite/VolPosDescription/index.htm</a>

All volunteer position descriptions will include the following statement immediately preceding the signature lines at the bottom:

"I have read, understand and agree to fulfill the purpose and responsibilities of this volunteer position and further agree to accept guidance and direction from the supervisor. I also understand that failure to fulfill the purpose and responsibilities of the volunteer position and to accept guidance and direction from the supervisor could result in suspension of my position. I also understand that this volunteer position is renewable annually; I will notify the supervising professional if I am no longer interested in serving."

Prior to the end of the program year, agents will send each volunteer a letter, e-mail, thank-you note (retaining a hard copy in the volunteer's file), thanking them for their year of service. For those volunteers who the agent wants to retain, the following paragraph must be included in the letter:

"The volunteer position in which you have served during the past year is renewable annually. I appreciate your service to Extension and to the (name) program. Unless you notify me differently, your appointment to this volunteer position is renewed for the 20\_\_ - 20\_\_ program year."
